The image shows a mobile application interface for PantheraTrade. At the top left is the PantheraTrade logo. The main heading is "Create an account". Below this are several input fields: a username field containing "sutanto" with a green "Username Valid" message below it; a password field containing "sutanto"; a second password field containing "sutanto"; an email field containing "sutanto@yahoo.com"; a phone/WhatsApp field with a dropdown menu showing the Indonesian flag and the number "+6282112715899"; two fields for verification code, each containing "\*\*\*\*\*"; and a referral code field containing "IB43945981". At the bottom is a large blue "Register" button.

## Register Account

- Pastikan Link merupakan link pengundang anda
- Link broker ( [here](#) )
- Isi sesuai identitas diri anda
- Klik REGISTER
- Anda akan mendapat email untuk verifikasi
- Silakan diverifikasi, bila berhasil akan masuk ke halaman dashboard

- Pilih Menu Akun Perdagangan

## Membuat Akun Trading Live

- Masuk ke Menu Utama
- Pilih Menu Akun Perdagangan
- Pilih Menu Buka akun Live

The screenshot shows a dark-themed interface for opening a live account. At the top, there is a navigation bar with a logo, a menu icon, and a notification bell. Below this, the page title is "Buka Akun Live" with a breadcrumb trail. The main content area is titled "Buka Akun Live" and contains several form fields: "Jenis akun" with a dropdown menu set to "EMAS", "Pengaruh" with a dropdown menu set to "1: 500", "Nyata / Demo" with a dropdown menu set to "Nyata", and "ID Pesanan EA (\* Hanya untuk EA EMAS)" with a text input field containing "ID pesanan EA". A blue "Kirimkan" button is located at the bottom of the form.
